## Reception

---

### Popularity

The anime had received high TV rating percentage since its release in April 2022, until the end of its first season.<sup>[34]</sup> With the premiere of its second cour on 1 October 2022, *Spy × Family* sets a new record for TV Tokyo in time shift audience ratings. The president of TV Tokyo reveals that the series' second part was the "best among all programs on all stations for the July 2022 season", including the first episode of the second cour into July quarter's statistics.<sup>[35]</sup> Its debut episode was the second most watched in Japanese streaming site.<sup>[36]</sup> The series took second place in April and later rose and remained in the first place for the next three months (from May to July) in the Japanese monthly streaming rank lists and VOD rank lists, despite the fact that the anime stopped releasing new episodes in July.<sup>[37]</sup>

*Spy × Family* has also started gaining mainstream popularity with a wide range of age groups, from children to adults. An official from Takara Tomy Arts said: "[the series] is popular among a wide range of people, just like *Demon Slayer: Kimetsu no Yaiba*. Anya is particularly popular. It is likely that there will be even more toys and goods in the future, including products for children."<sup>[38]</sup> Anya's popularity led to Toho make a music video heavily featuring her.<sup>[39]</sup> Additionally, a Tamagotchi involving Anya was released in June 2022.<sup>[40]</sup>

In a survey conducted by FinT, *Spy × Family* and Anya were ranked first and fourth respectively, on the top trending things among Generation Z in Japan for 2022.<sup>[41]</sup> In the same survey, "Anya likes peanuts" (アーニャピーナッツが好き) was the no. 1 trending phrase of the year in part due to a mash-up with the song "Renai Circulation" on TikTok.<sup>[41]</sup>

### Critical response

The series has met critical acclaim. On review aggregator website Rotten Tomatoes, the first season of *Spy × Family* holds an approval rating of 100% based on six reviews, with an average rating of 9/10.<sup>[42]</sup> The reviewers of *Anime News Network* praised the first episode of the series. Caitlin Moore and James Beckett gave it a perfect score; Moore lauded the show for its "consistent sense of comic timing" which perfectly deliver each joke and calling it a "guaranteed crowd-pleaser and a solid choice for almost everyone," while Beckett wrote that the "breakout star of the show" is Anya though what made him won over the show is its heart. Nicholas Dupree noted that "[the show] operates in a very precarious space between a goofy comedy of coincidences and a serious spy thriller, where the result is a world that mostly runs on cartoon logic." Richard Eisenbeis described Anya as a "fantastic little character" while praising the anime for its characters and world-building. Rebecca Silverman, similar to all of her manga reviews, she called Anya as the "beating heart of the series" while praising the anime for its story and animation.<sup>[43]</sup>

Kambole Campbell of *Polygon* noting about *Twilight*'s parenthood to Anya. While the action isn't particularly flashy, Campbell found that the animation in those moments is quite pleasing, and the choreography is precise and snappy.<sup>[44]</sup> Rafael Motamayor of *IGN* praised the show for its comedy, action, animation, characters, and poignant commentary on family and class. He also compare Anya to Baby Sinclair of the 1990s comedy series *Dinosaurs*, while stating that "*Spy × Family* manages to strike a great balance between commentary, drama, action, and slice-of-life comedy without undermining any of those respective elements in the process."<sup>[45]</sup> Rebecca Silverman of *Anime News Network* listed *Spy × Family* as the best anime of 2022, stated that the story crafts a delightful and emotionally meaningful tale about one family wrapped up in all of this. Silverman also hailed Anya and Bond as the best characters of 2022, due to how wonderful they are as a person and the dog in which they represent the same sign that Anya gets to keep the family she desperately wants.<sup>[46]</sup>
